Update is a monthly letter sent to the friends and supporters of Mt. Salem Revival Grounds.

February/March 2022

Dear Friends and Supporters:

The Bible says in Jeremiah 4:3, "...Break up your fallow ground...." May I say, as an evangelist, this is the essential need for revival. It takes much work and effort on the part of the Christian to stay prepared for a good harvest. One of the avenues that could make this happen is life-changing decisions made at a week of camp. One week of camp can do more in the lives of young people than 52 weeks of Sunday school. If you want to yield a good harvest, you need to attend a camp where the main emphasis is revival. Mt. Salem is that place for your church and your young people. For 47 years we have centered our services on revival for people, churches and our nation. We are not just another gathering grounds, we are a revival grounds which has always had an influence world-wide. Some people, who have surrendered at the altar in the Joe Boyd Tabernacle, have gone on to Bible college, to mission work or to other special ministerial service. The call for full-time ministerial service is still our main focus today. So, I trust you will make plans to attend a week of camp at Mt. Salem. This year's theme is "**The King's Castle.**" Our theme verse is from Psalm 24:8, "**Who is this King of glory?**"

PLAN NOW TO ATTEND A NEHEMEIAH WORK WEEK - Please mark your calendar and come join us for one of the Nehemiah Work Weeks. There will be dynamic preaching during the work weeks. **Work Week I** is **April 18 – 22**, with guest speaker Pastor Jay Hubbard of Gospel Baptist Church in Little Hocking, OH. **Work Week II** is **May 9 - 13**, with guest speaker Pastor Ryan Kooienga of Harvest Baptist Church in Hudsonville, MI. Our Men of Ministry will be preaching during both weeks. First on the schedule for the "Pathway Project" at the boys' dormitories is to build a retainer wall of concrete tiles which will widen the walkway areas by the dorms. Decks and stairs will connect all the dorms when the project is completed. It will take both work weeks to achieve most of these goals. We will also be working on the two lower shower houses by installing new plumbing and shower heads, two hot water heaters, and one drop ceiling. Other work projects will be: mowing, weedeating, painting, etc.. Those with skilled labor, please bring your tools to help with electric, carpentry, roofing, plumbing, landscaping, painting and vehicles maintenance. Your help would be greatly appreciated as we prepare for the opening day of camp in June. Bring a crew, a friend, or just yourself. **LODGING AND MEALS ARE FREE.** The meals are some of the best you will ever eat, and the fellowship is always a blessing and encouragement. If you plan to attend, please phone our office at 304-873-2315 so that we can make ready for your arrival!
