January 7, 2019

December was a busy month for repairs. We were able to get John's truck up and running 100%. Spent four days welding and fabricating a new floor. Rebuilt the whole rear end assembly that runs the chain.

Larry's truck needed two new front tires. The right rear set of duals broke and had to be replaced. Three day's later both turbos went. Have truck torn down in house and currently waiting on parts to finish repairs. We are thinking about replacing all remaining rims due to cracking.

We have been busy servicing equipment, getting ready for spring work.

The high winds over the holidays brought down a couple trees. We were able to get those cleaned up without incident.

Waiting for mother nature to bring us a couple good snow storms come January!

Sincerely,

Rich Schumacher

Consultations Held

The Code Office finished the year with 48 Building permits thus far this year.

The Code Office finished the year issuing 18 violations notice without written complaints, most of these are garbage or debris around exterior property.

I have received my first complaint for 2019, I requested the complaint in writing, they will file the complaint with my office and it will be addressed. The property is located on Bowles Corners Rd.

Commercial inspections will be completed by the end of the month for Fire and Safety requirements.

16 River St. owner has been issued notice to remove the remains from the fire that took place at the end of 2018, I have confirmed that the fuel oil tank in the basement is empty, I received complaints from the neighbor whose house was affected by the fire.

I will have the owner of the property at 7 Maple St. in Court for the garbage left on the property.

Judy Hall will have the Tracey Young Variance request and the letter from neighboring properties by Thursday this week

I have yet to hear from the contractor of the changes made at 4 Naples St. so I can issue the C of O.

26 1/2 West Ave. requested information in reference to installing a manufactured home on the property and what would be required, if they proceed forward I will keep the Board informed.

I am registered for my mandatory annual training in March, the class is at the RIT Training Center in Rochester, and any questions please let me know. I will have my phone during the class for any issues that may arise.

Thank You,

Charles A. Cagle, CEO Town of Cohocton
