COVID-19 Pandemic Emergency Dental Treatment Consent Form

I,, knowingly and willingly	consent to have emergency
dental treatment completed during the COVID-19 pandemic.	
I understand the COVID-19 virus has a long incubation period during which	h carriers of the virus may not
show symptoms and still be highly contagious. It is impossible to determin	ne who has it and who does
not given the current limits in virus testing.	
Dental procedures create water spray which is how the disease is spread.	The ultra-fine nature of the
spray can linger in the air for minutes to sometimes hours, which can tran	smit the COVID-19 virus.
 I understand that due to the frequency of visits of other dental pathe virus, and the characteristics of dental procedures, that I have the virus simply by being in a dental office (Initial) I have been made aware of the CDC, ODA, and ADA guidelines that all non-urgent dental care is not recommended. Dental visits show of pain, infection, conditions that significantly inhibit normal oper issues that may cause anything listed above within the next 3-6 m I confirm I am seeking treatment for a condition that meets these 	e an elevated risk of contracting at under the current pandemic ald be limited to the treatment ation of teeth and mouth, and conths (Initial)
