*"Beginning of a Joyful Life"*

Dear JL Taekwondo Academy Students and Families,

Due to the current COVID-19 health situation, we will be closed beginning Thursday, March 19<sup>th</sup> Businesses open again in compliance with Wake County. We intend to reopen on March 30<sup>th</sup>, however, if wake county schools remain closed, then we might remain closed as well. We will update you on our website when that date rolls around.

Please check to the changed schedule before coming back. This includes all classes such as color belts, black belts, preparation class, and competition team.

This does not mean that your Taekwondo training must stop though! We strongly encourage you to continue practicing on your own until we re-open.

As a result of this temporary interruption of classes, we will automatically be extending all memberships for a duration equal to the time of the closure. We will ensure that you get the full value of the tuition that you have paid or are paying. If an extension will not work for your specific family/membership, we will offer a credit equal to the value of the time of the closure.

This is a time of uncertainty for many people and businesses, and we are asking for your support and patience. We hope that during this time your family remains safe and we advise that you remain updated with the CDC for information regarding the COVID-19. We look forward to working with you again in person as soon as possible.

Thank you for your understanding, we appreciate your support. We will continue to persevere together!

Respectfully,

**Grand Master B.Y. Yoon**
