

## ENDURANCE / GRAVEL GRINDER

Both the Endurance Race and Gravel Grinder will start at 9:00 am. You will be doing 2 laps of the course, which is 18.5 miles for the 1<sup>st</sup> lap, the 2<sup>nd</sup> lap is 22.5, so the total race is 41 miles long.

There will be 3 feed zones on course: 1 at the bottom of Plantation, 1 at Grandview Point, and 1 at the turn around.

Drop bags will be taken to the turn around only. All drop bags need to be at Registration by 8:15 am.

***Remember drop bags do not return to the base area until very late, we suggest putting your stuff in a bag you are not worried about getting back.***
