

SCIO BUCKAROOS NEWSLETTER

MAY 2017

CLUB NEWS

Playdays, Schooling Shows, & Other events

A playday will be kicking off the season on Saturday, July 8th. Next will be a schooling show on July 15th, followed by two more playdays, which are planned for August 12th and September 9th. The last playday for members only is planned at the end of the season and is known as the Retro Playday.

To prepare for the upcoming season, a cleanup day is scheduled to get the grounds ready. This will include mowing, spraying, weed eating, painting, repairs that need tending to,

FOR END OF YEAR
AWARDS.**

locating and spraying bee nests, cleaning up the clubhouse, and other miscellaneous tasks. This will take place on June 10th at 10:00 am. All volunteer time for this activity counts towards the required membership volunteer time.

This year we are going to be riding in the Scio Lamb & Wool

Fair parade. Any current members wanting to join, please contact one of the officers listed below as soon as possible. We do apologize for the late communication for this event.

August 12

- Playday

September 9

- Playday

September 23

- Playday (Retro)

Additional events TBD

MEETING NEWS

Every 1st Thursday of the month at 7pm

It may not seem like a meeting would be very exciting, but there are some very exciting topics being discussed! They include both short and long term goals involving the Scio Buckaroos, in addition to the events currently being held and in the planning phase.

The Scio Buckaroos facebook page & website should be getting updated very soon. We are hoping to have online membership registration and payment services available. In addition, an active current member list will also be available so that our members can verify membership standing.

During our meetings, one of the main topics lately has revolved around increasing member participation and interest. We need more volunteers to keep our events successful. We have been brainstorming some fantastic ideas which will be further discussed at upcoming meetings.

We would like to build a trail course near the warm up arena. This may be included in the cleanup day if there is enough help, otherwise it will be done at a later date. If anyone has obstacles, ideas, or time available to help out with this, please come to our meetings and stay tuned for updated information.

Various committees are being formed to assist with planning, organizing, and running different

events and services offered by the Scio Buckaroos. If you would be interested in learning what these committees are and the details involved, as well as helping out, please come to our next meeting on June 1st. We will have a sign up list available for members.

Other event topics discussed during meetings include group trail rides, campouts, member holiday parties, and more. If you have ideas that you would like to let us know about, or if you would like to learn more about what we discuss, please join us at our next meeting on Thursday, June 1st at the Scio Buckaroos Clubhouse, 7:00 pm. We hope to see you there!

To contact the Scio Buckaroos, there are multiple ways. Visit the website, send an email (listed below), facebook message, or call the number listed below and leave a message. One of our officers or board members will get back to you as soon as possible.
