**Now accepting new Apprentice Company members for the 18-19 Dance Team!**

We're looking for dancers age 5-9 with at least 1 year of dance experience, a positive attitude, encouraging parents and great sportsmanship who are looking to improve their dance technique and showmanship and make new friends while working hard and having fun!

The Apprentice Company team meets for class every Wednesday, September - June, attends the weekend NUVO Dance Convention in Dearborn in January and performs their dance(s) at 3 local weekend dance competitions in the spring and at both dance recitals.

For the Fall 18-19 dance season, Apprentice Company members will learn a lyrical dance and be included in the full competition team **Production jazz** dance. Apprentice can join the **Mini Hip Hop** competition dance and those in Youth Tap can add **Mini Tap**.

We would LOVE your dancer on the team! Apprentice kids have the best time together and love getting to know and hang out with the older Company. Our Competition Team families are wonderful, supportive and friendly and everyone is truly proud of all the kids and enjoys supporting and watching them perform.

**Come join our team! Together we work to better our performance, technique, and team work! All while having a blast!**

If you have any questions feel free to see Ms. Kristie, Ms. Stefanie, Ms. Natalie or the front desk!

**We can't wait to dance with you!**
