The Special Feature Exhibit is called:

“A Stitch in Time” – Handwork Through the Ages

You may enter crazy quilts, embroidered quilts, pillows, wall-hangings, table runners, bags, jackets, vests etc.; crewel work, cross stitch, sashiko, etc. and they can be vintage. If item is too heavy to hang on the wall using the 3M hooks, you must supply your own stand: get creative. We will display your beautiful work on tables. This room will show that quilters like ourselves have many different passions -- not just quilting. We aim to inspire people who enjoy handwork and they might see other techniques that appeal to them.
