

### RESMED S9 CPAP/BIPAP/VPAP

To check the hours on your machine:

- Press the **i** button (the top button beside the dial)
- Turn the dial to the right to access the **Sleep Report**
- Push the dial twice to highlight **Period**
- Turn dial to the right until the screen reads **1 month**
- Push the dial

Once you are done press the **i** to exit the menu.
