

**CALLING ALL TROOPS THAT HAVE
COMPLETED COMMUNITY
SERVICE PROJECTS!**

WE WANT TO HEAR FROM YOU!

Has your troop completed a community service project* since October 2016? If so, you'll want to share your project with us so you can earn this fun, **Building a Better World** patch!

YOUR PATCH IS JUST THREE STEPS AWAY!

- 1** Submit your project details via our online form.
- 2** Print out your email confirmation.
- 3** Take your confirmation to your nearest service center to pick up your patches.

KEEP THE SUBMISSIONS COMING!

From now until October 1, 2017, the troop (per program level) with the most per-girl hours of service submitted will receive a customized **Building a Better World** shirt for each of the girls and leaders in the troop!
