

South End Soccer is excited to announce our newest fundraising event for 2020 - **The Great Roxbury/South End Scavenger Hunt!** This virtual event will be a team-based competition that encourages participants to complete activities in some of the South End and Roxbury's amazing outdoor spaces and local businesses.

We know safety is a concern at this time so, these virtual and physically distanced activities can be done on your schedule and in a way that you feel comfortable with. Each activity will be assigned points and the teams who collect the most points during the duration of the event will have the opportunity to win some great prizes!

Join us to support youth sports! And, not only will this be a fun way to raise much needed funds for South End Soccer's free programs, but it will also **support and promote our communities and local businesses.** #QUESTFORSES
