Refund policy : You **must** fill out a refund request form. If you request a refund before the 2nd game, we will deduct \$10 for the cost of the shirt (which you may keep) and then you will receive 50% of what you paid for registration (after the \$10 is deducted.) After the 2nd game, you will need to send in a written request to the Board of Directors stating why you would like a refund. They will make the final decision on whether a refund will be given or not.

SOUTH VALLEY ATHLETICS - Cheer Info

We offer cheer for children kindergarten through 5th grade. Teams are divided into two age groups, by grade. They will cheer at a 4th/5th grade basketball game each week, held at Lincoln Middle School.

Coaches will call you to let you know their practice day/time/location. If you have not heard from your coach by 12/8, call or text the office at 541-942-3079.

Cheer practices start 1/8 and are twice a week at local schools. Games are on Saturdays from 1/18-3/7.

Game schedules will be available by 1/13. Team shirts will be handed out right before pictures, on 1/11.

Shoes that tie must be worn to all practices and games. They do not need to be actual cheer shoes, but please make sure they are the kind that do not leave black marks on the gym floor.

Frequently Asked Questions

Why do you charge \$90 to play? We strive to offer sports to the community at an affordable price. We have to pay rent, contract with the school district for the gyms, replace worn equipment, carry a big insurance policy, and pay our referees and our one, part-time employee. About **half** of the kids who play with us qualify for our reduced rate; the difference is made up through fundraising, sponsorships and donations.

How do I become a coach? Please contact the office. You will need to fill out an application and pass a background check (once per school year.) There will be a coach meeting before practices start. Coaches must be 18 or older. We provide all the equipment you will need to coach. We also secure gym space for your team.

How do you divide your teams? Dividing teams for each sport is a complicated process, done by the sport chair and their committee. We try to make balanced teams considering skill level/experience/age, and also to accommodate numerous requests from people who have limited availability for practice days/times. Siblings will be placed on the same team only if they are in the same age group/gender division. A request for certain days/times/coaches/friends/cousins/transportation issues will be considered, but often cannot be met with the practice times/days that our (volunteer) coaches have chosen. It can also lead to unfairly "stacked" teams. We grant very few requests to play "up" a level; the child must be approved by the sport committee. ***Safety is our primary consideration in that situation. (Most of this section does not pertain to cheer).***

How can I help? We are always looking for volunteers and sponsors! Volunteers can do anything from pick up trash one Saturday, help setup before games (8 am!), coach or assist a team, join a sport committee for a season or interview for our board. As a non-profit, we are always looking for sponsors- your donation is tax-deductible, you can get your logo on a shirt, and make a difference for our kids!

Referees for our league are mostly middle or high-school kids who also play the sport. If you have a kid this age who is interested in learning to referee, have them call the office. This is a great way for them to get involved in the community, build confidence and leadership skills, and earn some money.

Who do I contact with questions or concerns? Please contact the SVA office by phone, email or Facebook. Someone will get back to you during our business hours- **Mon/Tue 1:00-6:00 and Thu/Fri 8:30-1:30.** If you have an immediate concern on a game day, please find the nearest SVA staff member (blue SVA shirt.)
