1	Students are not receiving the services necessary to succeed. No support is given to teachers when they ask for help.	2/7/2023 7:53 PM
2	Depending on who you are, the support is provided but then used against you later. The way criticism is presented is not well executed and is often times surprising.	2/6/2023 9:11 PM
3	Principal is very supportive	2/1/2023 12:49 PM
4	Understanding of Early childhood education has improved greatly, but there is still more work that needs to be done as far as understanding the needs of our early learners. Classroom environments need to be respected more and considered in our curriculum and the outdoor space needs to be modified to meet the student's needs. Also, our classroom schedule needs to be respected, needs fewer transitions, and should be discussed with the teachers before changes are expected to take place.	1/19/2023 9:41 PM

2	Surprise visits are done at random leaving teachers stressed and at times feedback is right after the visit. This leads to disruption during teaching and also when feedback is harsh it leads to negative impact on entire day.	2/7/2023 7:53 PM
3	Admin comes in and brings an academic coach to provide coverage so after the visit admin can pull you out right then and there and provide feedback. Depending on the feedback, I feel that this can be discouraging to already overwhelmed teachers.	2/6/2023 9:11 PM
