Instructions

1. Find a clear glass or plastic jar with a lid. (It's best if you can fit your hand inside of it!)
1. Remove any label, wash and dry the jar well.
2. Design a shadow scene with your black paper. It would be mountains, trees, animals, a tent... whatever you want!
3. Cut out your scene and glue it around the bottom half of your jar. (Inside or outside is okay). Add star stickers to the top half of your jar.
4. Place your battery powered candle inside the jar and when it is dark, turn it on.
5. Use your Story Teller Jar to tell campfire stories!
