A riding boot with a half-inch heel should be worn while mounted. Students MUST provide their own boots. Children are allowed to wear any closed toe shoe (sneakers) if boots cannot be obtained. No flip flops or sandals. If you have new boots bring comfortable sneakers to wear while not mounted.

SEI/ASTM certified Riding Helmets must be worn while riding. It is recommended that the student obtain their own helmet. No Bike Helmets! Helmets can be purchased at Amber Glen Feed Depot, Largo Feed and Oak Hollow or Online. We have helmets that campers can borrow. If you purchase your own, please write your child's name inside.

Long pants must be worn for riding. Children can bring shorts to change in to. Summer time is hot for the children as well as the horses. We encourage children to bring extra clothing and a towel as we sometimes get wet bathing horses!

We do clean stalls daily. We believe that children should care for the horses in order to get the full equine experience. There are fans in each stall and in the hall ways to cool off. Please bring your lunch and snacks as well Lots of Water!

You must sign a liability release form and medical release form before riding. Both Parents/Legal Guardians must sign the form before children can ride.

Fill out this form and mail a deposit of \$100 reserve your spot. Camp must be paid in full by Monday morning the day of your camp. **Your deposit is non-refundable.** We will be happy to accommodate partial day camper as well as partial week campers, please contact Alisha for more details on how we can accommodate your needs.

If your child misses a day of camp, please contact us to let us know they are out. Camp days are nonrefundable.

If you are more than 15 minutes late picking up, there is a fee of \$10 the first 15 minutes and \$25 for 30 minutes the parent/guardian is late. This is payable at the time you pick up your child.

WHAT TO EXPECT AT HORSEMANSHIP CAMP

At an average day at horse camp, campers arrive in the morning for our camp powwow (meeting) to go over the day's events and address any safety issues from the day before. The first day we go over the barn rules and safety manual. We learn something about the type of riding we will be doing. (parts of the saddle, how to handle the reins, mounting safety and more) Then we get our horses out and start grooming and tacking up. Children will often have to share a horse for the week. We split up in two groups and while the first group rides the second group learn about horse care. The first lesson of the day usually lasts an hour and then we switch. Share the horse, share the work is our motto and we all pitch in to cool the horses out, hose them down and feed them lunch. Then it's our turn to cool out and eat lunch. After lunch we will play a game, do a craft, learn something cool about horses and maybe even get wet playing in the hose then back to the horses for a little afternoon horsey fun, and learning. The second ride of the day will involve fun games on horseback.

An Average Week at Horsemanship Camp: Monday is Orientation, Horse Safety, Grooming, Bareback Riding Tuesday is English Riding (ride 2 x this day)(Paint and Bathe Horses) Wednesday is Western Riding (ride 2 x this day) (crafts) Thursday is Game Day (learn barrels, poles and just plain fun on horseback!) (ride 2 x this day) Friday is Casual Riding.
