

## **FAQ Studio Parents:**

### **Can I watch my students' class?**

You certainly may! The waiting rooms are open once again. We will continue to offer zoom as needed.

### **Where should I park?**

I lease the township parking lot on weekends and after 3pm. You may also park behind the studio. Please do not block the vehicle under the carport.... This spot is ideal for drop off and pick up while not blocking my personal vehicle. There are three spots designated as tenant spots. Do not park and leave your vehicle in these places as they are for use by the persons living in the building beside us.

### **What do I do if my young child needs to use the bathroom?**

If your preschooler is unable to go to the bathroom on their own you will need to

### **If I or my child is sick what should I do?**

Stay home!!! Your child (if well enough) may take or watch class via zoom. Please do NOT come to the studio should you or your child feel ill. Notify the office prior to 3:00pm and a zoom link will be opened so that your child may participate. Notify the office if you have come to class and find later that your child has Pink eye, lice, etc. Should there be a need for the class to quarantine you will be notified.

You may also make-up missed classes in person or via zoom by attending the next level class. Schedule is on the website. This applies to classes missed for any reason ie: family vacations, funerals, parties, school events.

### **How will I know if classes are canceled due to snow?**

Please like our Facebook page or our Instagram. We will make decisions regarding weather safety around 3pm each day. We DO NOT necessarily follow school closings. Clearly, regardless of any decision we make, if you or your student do not want to drive in snow.... Stay home and Zoom!! I will attempt to email each class but I am occasionally unable to reach our database to do so.

### **What if we are late to class??**

Here at out of his mind we try to start and end our classes on time. I have a respect for everyone's time and the tight schedules we all try to keep. Occasionally, we are running late. When arriving late please enter studio quietly and wait outside the classroom until teacher invites you into the room.
