

Thank you to everyone who helped out with the coat drive!

Thank you to all the families who came for our dessert and Christmas movie event. We had a great time watching Rodolph and eating cookies with everyone!

Thank you to everyone who added a Christmas ornament to our tree. We had a lot of great Christmas wishes.

The winner of our door contest was the Sprouts classroom. "All I want for Christmas is my 2 front tree" congrats to Ms. Deja and Ms. Charlotte.

Our teacher of the year award for 2018 goes to Ms. Phoebe. Ms. Phoebe has been with the center for 15 years and she clearly loves her job. We can always count on Ms. Phoebe to help out with anything we need. We also choose a runner up and that goes to Ms. Latrice. Ms. Latrice keeps everyone happy with her amazing cooking. Latrice is always willing to jump in and help wherever she is needed after her kitchen work is done.

Pre-k registration will start January 14-21. All paperwork must be returned for it to be complete. Please keep in mind that as of today we only have one Pre-k with 22 spots and we have 25 children here in the center that is eligible to go to Pre-k next year. Return your completed paperwork as so as possible to guarantee your spot.

We will be doing move up the week on the 21st. Everyone who will be moving to a new class will get a move up letter in their cubby on the 11th. Please let us know if you have any questions or concerns.

Parents we greatly appreciate everything that you do for our teachers and our center. We ask that you please be mindful when you are in the classrooms. Do not pick up other children or take children out of the rooms. Also, please be mindful of conversations in the classrooms (little ears over hear and repeat what they hear some times). This is for our safety as well as your own.

Parents, when planning a birthday celebration at the center for your child, please refer to the section in the parent handbook that addresses this. If you have any questions please talk to the front office staff not the classroom teachers. We must make sure that all state polices are being followed when having these celebrations. Pre-K has a once a month celebration, not individual.

Reminder we can NOT give any medication to any child without a DR's note stating what it is for, how much to give, why we are giving it, and an expiration date. Medication times are 11 and 3, if your child needs to get medication these are the only times that it will be given. (This information is in the new handbooks.)

Parents please be mindful when parking at the front the building. Please park in the first lane closest to the building the second lane is for pulling thru so that no one gets blocked in.

Parents, Sabrina and I try to ensure our program is one of care and quality. Should you ever have any concerns, compliments or complaints, please feel free to speak to either one of us in person, via phone or email (amanda@applepreprep.com). Any time that you have a concern, please bring it to my attention no matter how small. I want to do my best to assure the happiness of everyone at Apple Tree Prep- Athens.
