WE'RE NOT MOVING!

Applause is "Education-Focused...not Star-Focused."

Dear Parents & Students:

APPLAUSE PAC is proud to present our exciting musical production of **FROZEN JR MARCH, APRIL, MAY 2019**. APPLAUSE specializes in providing a unique, comprehensive musical theater curriculum to build well-rounded, versatile entertainers! APPLAUSE is dedicated to providing quality Children's Theater by training students in singing, dancing, and acting to become a "triple threat." The techniques of each art form are intertwined and intricately woven to form a tapestry of Musical Theater Arts developing a well-trained performer: that is proficient in all 3 disciplines.

From Beginners to Advanced, boys and girls, APPLAUSE offers fun and education while kids learn to sing, dance, act and "put on shows!" At APPLAUSE you are important to us whether you are a beginner or advanced. Whether your goal is to have a professional career or to perform for the sheer enjoyment of it, there is always a place for you at APPLAUSE.

Each child has special talents! As educators it is our mission to bring out the full potential of our students.

APPLAUSE is an advocate of arts-in-education. A Theater Arts education lays an academic foundation for all language arts developing diction, reading, writing, vocabulary, grammar, memorization skills, critical thinking skills, as well as self-esteem, self-confidence, self-worth, and self-competence.

APPLAUSE is dedicated to creating a positive, creative, fun environment for people to learn. Any person fortunate enough to study in the land of make-believe will benefit academically from the Arts.

Whether a person desires to train in the performing arts as a hobby or professional career, the goal of APPLAUSE prepares these eager apprentices for fun and friendship in the world of entertainment. A nurturing, non-competitive atmosphere to learn, grow, and, most importantly, the ability to learn to recover from mistakes and move on - is what APPLAUSE is all about.

Each child is highlighted and featured in our productions. Our educational mission is a rewarding "learning experience" for each individual. We welcome you to join our theatrical "family!" Enter our exciting arena of the arts for an enriching, unforgettable experience!

Best Regards, *Kathy Renna*, Director
