Building Healthy Families: As the winter days wane and you're waiting for spring to arrive, how about taking a trip to your local senior care community? Your visit with an elderly man or woman who has no family, church or visitors will be a rich blessing for them, and for you. *"And the King will answer them, 'Truly, I say to you, as you did it to one of the least of these my brethren, you did it to me.'" "I am extremely thankful for the many doctors and nurses who stand firm in their opposition to assisted suicide and euthanasia, although they are finding themselves being pressured to change their position. Please pray they remain firm in their For Life stance. May we also pray that ... they boldly ... maintain the ethical standards their professions were created to provide to society and that the Gospel clearly proclaims." *Virginia Flo, Lutherans For Life – A Life Quote from Lutherans For Life • www.lutheransforlife.org*
