

## **Sand Filter Bid**

---

### **Instructions to Bidders:**

The Town of Tusten will be accepting SEALED bids for Filter Sand. Specifications, bid forms and the required Non Collusion Certificates are available online at [www.TownofTusten.org](http://www.TownofTusten.org) and at the Town Clerks office located at 210 Bridge Street, Narrowsburg NY. Bids are to be received by the Town Town Clerk no later than March 12, 2019 at 1 P.M. Mail clearly marked "Sand Filter Bids" to Tusten Town Clerk, PO Box 195, Narrowsburg, NY 12764. BIDS are to be opened at the Tusten Town Board Regular Meeting held on March 12, 2019 at 6:30pm at the Tusten Community Hall. Any questions about the specifications should be directed to the Narrowsburg Water & Sewer District Superintendent Karl Gillow at (845) 252-7376.

### **General Specifications:**

1. Media shall consist of washed natural sand consisting of hard, strong, durable particles which are free from clay, dust, organic matter, coating or deleterious substance.
2. The effective grain size shall range from 0.40 to 1.00 mm, with a uniformity coefficient less than 4.
3. The contractor shall provide and/or deliver for the proposed price of 500 cubic yards of sand meeting these specifications to the Narrowsburg Sewer Treatment Plant.
4. Sand shall be delivered in dump trucks only.

### **Award:**

1. Bids must be submitted on the attached bid form.
2. A non-collusion bidding certificate must be submitted with each bid, copy attached.
3. Award of the bid shall be made under the direction of the Town Board on March 12, 2019 at the regular board meeting which starts at 6:30PM.
4. In cases where two or more responsible bidders submit identical bids as to price, the contract may be awarded to either of such bidders.

The award shall be made on the most advantageous bid, on the quality verses price basis, taking into consideration the responsibility of the bidder and materials or terms deemed to be best adapted to the uses of the Town of Tusten.

6. The Town of Tusten or Departments awarding the bids reserve the right to accept or reject any bid which it deems is in the best interest to the Town of Tusten.

### **Taxes:**

Purchases by the Town of Tusten for its use are not subject to any sales, use, or federal excise taxes and exemption certifications will be executed upon request and payment.

### **Filter Sand Testing:**

As part of the proposal the bidder shall submit a certified copy of lab tests and gradation curves indicating the material meets the effective size and uniformity coefficient specifications.

After the Town Board identifies a low bidder/supplier the contractor shall create a 500 cubic yard stockpile of material intended to be delivered to the Narrowsburg Sewer Treatment Plant. The town will then sample the material stockpiled, test the samples for specifications compliance prior to delivery to the Sewer Treatment Plant site and accept or reject the entire stockpile.

Any further information may be obtained from the Narrowsburg Sewer District Superintendent; 210 Bridge St, Narrowsburg, NY 12764 (845) 252-7376.
