

- There will be no activities except 11am worship.
- Everyone is asked to enter the church through the front door.
- The building will not open until 10:45. Please enter and be seated.
- Upon entering, everyone will be asked to use hand sanitizer.
- Access to the building will be limited to the entryway, restrooms, and one Sunday School room which will be designated as a childcare room with a changing table.
- The offering will be collected via placing your offering in the provided offering plate which will be located on a table in the entryway. There will also be a basket for world missions offering change.
- Seating in the sanctuary will be in designated pews only. These will be indicated by having bulletins on them.
- Family groups are asked to sit together and maintain proper social distancing (minimum of six feet) between themselves and others.
- There will be no childcare provided. Children are invited to spend the service with their families. A designated childcare area for families to use will be provided.
- There should be no physical conduct between attendees and/or with staff.
- Masks are recommended, but not required to be worn during the entire service. If you choose to sing during congregational singing, you *must wear a mask while singing*.
- All materials, including hymnals, have been removed from the pews. Hymns will be projected as well as printed in the bulletin.
- We will not celebrate the ordinances of communion or baptism during this time.
- The choir will not participate in worship during this phase.
