Outreach to Law Enforcement officers in the USA

February 2016

Officer Garrett Swasey was killed in the line of duty in Colorado Springs 11-27-15. He was a devout Christian. Thousands of police officers were at his funeral service, where the gospel was proclaimed.

Dear Friend,

God has blessed our ministry to police and law enforcement officers in the USA during this past year. We preached the gospel and ministered to over 100 officers in 2015. We had a total of 36 outreaches in Colorado through our ministry called Peace Officers International.

This ministry operates under MMI and is overseen by our board of directors. We have 11 staff members made up of active and retired police officers. God has given us the opportunity to encourage many officers during this difficult time for them here in the USA.

Being a police officer is one of the most difficult jobs in any society. We continue to encourage them and pray for them in their difficult and dangerous work. They are a very important part of society and God considers them His servants as Paul explains in Romans 13.

One of our staff members, Matt Barden, is a Special Agent in Charge in the DEA. He has been assigned to Little Rock, AR and we are hoping to begin an outreach to law enforcement there this year. We hope to begin expanding to other states in the years to come as there is such a great need to minister to law enforcement in this country.

We are also planning trips to Mexico, Guatemala, Belize, El Salvador, and Colombia this year.

Thank you for your prayers and support of this ministry. God bless you.

Prayer Request

Pray for our outreaches to law enforcement officers and their families here in the USA this year.
Pray that more officers will get involved and we will see officers saved and discipled.
Please pray for our outreach to the families of law enforcement officers who often feel the pressure of law enforcement danger.
Ask the Lord to open the door for us to begin an outreach to the law enforcement officers in Little Rock, AR.
Pray that God will open the doors for us in other countries this year to continue our mission work to police officers.
Ask the Lord to provide the financial resources we need to be able to continue this important ministry.
Continue to pray that God will give us wisdom and we will be sensitive to the leading of the Holy Spirit.
