NDCO State Political Committees & Targeted Races

NDCO has identified targeted states with key county, state legislative, congressional and statewide elections. Those states include: PA, OH, NC, GA, FL, MI, WI, MN, IA, CO, NM, AZ & WA. NDCO's Political Advisory Committees will advise the NDCO Board on political and electoral issues during the 2016 cycle, and where NDCO should allocate resources.

NDCO Online Action Center

NDCO's Online Action Center will serve as a message center, campaign services platform and policy forum for county officials. County Officials will login and have access to information from the Democratic Party, Democratic allies and NDCO partners. The information includes: Messaging & Talking Points, Legislation, Policy/Position Papers & Campaign Resources.

PARTNERS

NDCO Surrogate & Training Program

NDCO's program to bring campaign and policy experts into states to train county officials and candidates. The program is designed to educate, inform and prepare county officials for their own campaigns, and become messengers/surrogates for Democratic candidates and partner organizations. NDCO's goal is to partner with our allies to bring these trainings, workshops and roundtables into strategically important states and regions.
