1. Parade Check In

One member from your group must stop by the check-in table at the corner of **Mellen and 154th Road**. Please allow plenty of time to get from check-in to the staging area. From the check-in desk, individual participants, horse entries and vehicles will be directed to the staging areas from the South via separate routes to ease congestion.

Entries should not plan to get to the check-in or staging areas by traveling west on Sandy Run as Sandy Run will be closed off prior to the parade's beginning.

Please also be aware that there will be no northbound traffic on Alexander Run south of Sandy Run. Please refer to the parade route map for location of check-in desk, staging area, and parade route.
