

2018-2019 Single Project Awards

Single Project Awards: Presented to Local PTA Units; One elementary, middle and high school winner will be awarded in this category.

The purpose of this award is to recognize PTA's for ONE SPECIAL PROJECT sponsored by the PTA during the current school year. The theme should have a service to youth orientation and should meet PTA National Standards for Family-School Partnerships. Judging will be based on the idea, how it has been planned, executed and how many students were impacted.

Some suggested areas for single projects are:

A reading enrichment program

Career or College Planning Program

A citizenship award program

A math incentive award program

A safety, drug awareness, health or anti-violence program

Any project which enhances the programs, education or youth of the local school

The description of the project you are submitting for this award should be no more than 2 typewritten pages with no reference to school name and should include the following:

Title of project and description

Overall goal

Overall benefit to your school/students

Participation of parents, students and teachers (list time invested by participants)

Number of students benefiting from project

Projects which won the Single Project Award the previous school year are not eligible for consideration. Those PTA's who won the previous year may submit an entry, however, it cannot describe the same project repeated and implemented again this school year.
