Educational Theater of New York
228 East 45th Street
New York, NY 10017

Thank you for the opportunity you offered us to attend the opening performance of Unhappiness and The Metamorphosis. This was a great experience for all of us, we had the best time and enjoyed at the after performance party with the cast.

We are really grateful because many of us had never been at the theater before. In New York City the theater is so glamorous and expensive, that we don't think opportunities like this existed in the city.

We are looking forward to attending any performances you have in the fall.

Sincerely,
