Picture Week

May 17th–May 21st

We will have a professional photographer coming in at a designated time for picture week. Each class will come dressed in a assigned costume with hair and makeup prepared BEFORE their time to pose with their class. A schedule will be sent home to you prior to picture week.

You do NOT have to purchase these pics, but we do ask for EVERYONE'S participation, so we have a complete group pic. You will also have an opportunity to pose individually at that time.

Payment will be expected at the time of pictures.

Trophy Week

May 24th–May 28th

We will have an awards ceremony the last week of class. They will vote on class superlatives and award one another, but we will also be handing out trophies to reward them for all their hard work! They will have an opportunity to pose with their class as well as their teacher to celebrate!!

We will notify you of the details on Awards Day closer to the week!
