Note: These specifications apply for units with one oven (standard on left side). For an additional oven add \$ 500.00 Net, plus 35,000 BTU's extra and the weight will increase 65 lbs.

Ideal 60" Ranges come with high front and shelf as standard. If you require a short back stub instead pointed out in your order. For units with two ovens rather than one full oven and open cabinet (default models) add in parenthesis a number (2) at the end of the model to denote this change. **For instance: IDRG-4G36(2)**. The price will increase \$500.00 net and a set of (6) four casters for these models are priced at \$150.00 net.

Note: Go to page 13 for different option configurations and pricing. If you do not see what you are looking for, please call and let us know. We will custom design it to fit your needs.

Snack Line Ranges for all models (24" to 72" widths) are available with similar specifications but 24" depth and few less BTU's. Reduce 15% out of the list price and for the models add an "S" at the end to denote Snack Line.
