

FINANCIAL LITERACY

----- WHY IT'S IMPORTANT -----

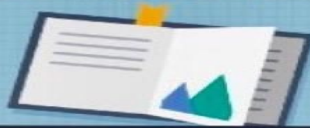

40% of adults give themselves a grade of C, D, or F on their knowledge of personal finance,

but 80% of parents feel it is their responsibility to teach their kids about money and savings.

LET'S CLOSE THE
FINANCIAL LITERACY
GAP TOGETHER.

**SAVE YOUR
FUTURE**

Is money controlling you? Or do you control your money?

Hawaii Dental Hygienists' Association Members Are Invited to Attend
