Escape the Office / House Day

14th September 2020

Given the current circumstances we are unable to organize the usual event this year, but we feel the need to get out of the office and spend a little time in the outdoors with our colleagues. The event will be very informal, and we would love to see you if you can make it. Please let Lisa Rauch (Lisa.Rauch@wlci.us) know if you plan to attend as soon as possible. Thanks

Nick and Brant
