OFFICIAL UPDATE—COVID-19

Our community and the health and safety of our guests, cowboys, cowgirls, volunteers, vendors, and sponsors is important to us. Per the CA Dept of Public Health's recommendation regarding slowing the community spread of COVID-19, the La Grange Rodeo Association has decided to **CANCEL** the 73rd La Grange Rodeo. It is important at this time that we all work together to take care of our community and slow the spread of COVID-19. Thank you for your understanding as we navigate this situation.
