

Pennypickle's Workshop is the home of Professor Phineas T. Pennypickle, Ph.D., scientist, time traveler and inventor of wacky and wonderful contraptions that amaze, delight, and educate children and adults alike. Every surface is occupied by pulleys, gears, cables, blueprints and stuff. There are secret passageways and puzzles, machines and gizmos. Professor Pennypickle and his faithful little mouse friend, Beaker, have lots of fun activities planned for you every month (and sometimes they are a surprise...there are WAY too many exciting happenings to list here!). Be sure to call the Professor's hotline at (951) 308-6376, or check his website at pennypickles.org for detailed information or to purchase advance tickets. Children must be accompanied by an adult 18 or older.

Discover Science Through Play at Pennypickle's Workshop

MONDAY MADNESS

Pennypickle's Workshop will be open every Monday in June and July, August 7 & 14, September 4 (Labor Day), October 30, and November 20.

EXPLORE SCIENCE NIGHTS

We will be open every Friday night from 5:30-7:30pm for fun family science adventures. (Note that there will be NO Explore Science Nights on September 15 & 22 and December 1.) Be sure to join us often - there's always a surprise in store! Admission is only \$5 per person over 24 months, except for KIDS ONLY CLUB evenings. See pennypickles.org for event information.

I LOVE ROBOTS NIGHT

Friday, July 28, 5:30-7:30pm; \$5/person over 24 months

We love anything concerning robots, so tonight we'll explore some of our favorites! The teens at Cyborg Zombies will bring their robot to demonstrate what can be done with metal, wire, sensors, a manipulator, an endeffector... well, you get the picture. Don't miss it!

BEAKER'S LITTLE BIRTHDAY

Sunday, August 6 - All Sessions; \$5/person over 24 months

The Professor has a huge birthday bash, but Beaker is more comfortable with a miniature birthday party... and that means LITTLE. Join us for some teeny tiny fun and surprises as we wish Beaker a happy birthday!

SOLAR ECLIPSE PARTY

Friday, August 11, 5:30-7:30pm; \$5/person over 24 months

Too bad we won't be seeing August's Solar Eclipse in our part of the U.S. cause we aren't in the path of totality, but that doesn't mean we can't celebrate the TOTAL ECLIPSE OF THE SUN! We'll be experimenting with Earth, Moon, and Sun fun, so you gotta be here.

BE SURE TO VISIT PENNYPICKLES.ORG

You can see what we're planning (Events), what surprises we have for you (News), and how crazy we will be with field trips and such (Busy-ness Schedule). We'd also love it if you follow us on social media! Find us on Facebook under Pennypickle's Workshop, Twitter @profpennypickle or Instagram @pennypicklesworkshop.

Pennypickle's Workshop

142081 Main Street, Old Town Temecula

KIDS ONLY CLUB

Ages: 5-10ish

Kids Only Club events are drop off evenings for children only, where we do lots of fun science stuff and YOU get to have a couple of hours to yourself! Early pre-registration is suggested as space is limited; call (951) 308-6376 to pre-register.

Fee: \$25 per child (includes all materials)

ChemMysteries

Monday, June 26, 10am-12pm or 12:30-2:30pm

Friday, June 30, 5:30-7:30pm

This is the most fun you'll ever have when you mix chemistry and... dare we say?... mysterious forces!! You'll for sure want to wear a lab coat to this one cause who knows what mischief we'll be getting into. (Wait..WHAT??)

Hogwarts Herbology

Monday, July 17, 10am-12pm or 12:30-2:30pm

Friday, July 21, 5:30-7:30pm

Join us for a new semester at Hogwarts... we'll be studying Professor Sprouts' secret formulas and plantings. And don't worry - the dragon dung compost we use is organic! Dress in your House Robes (or lab coat if you haven't been sorted into a House yet). Gillyweed testing and Mandrake rooting are a couple of things on the Lesson Plan. **Please register EARLY for this event!**

Superhero Adventures

Monday, July 31, 10am-12pm or 12:30-2:30pm

Tra-la-la!!! Wait... that's Captain Underpants. You may not want to be him, but you can be the Superhero of your choice today as we discover powers you never knew you had! No flying, though. Not enough room in the Workshop.

Mad Scientist Crazy Chemistry Lab

Friday, October 27, 5:30-7:30pm

Only the true mad scientists can appreciate Halloween and its opportunity to do some wild and wacky experiments, and boy, do we ever have that covered! It's spooky how much fun it'll be...

Explore Science with
Professor Pennypickle!

GIRLS ONLY CLUB

Ages: 5-10ish

Pennypickle's Workshop is dedicated to helping kids discover science through play, and we especially want to encourage girls to develop a love for science and the world around them. The Girls Only Club focuses on fun, wholesome activities and experiments to get girls interested in science while enjoying some of their favorite

interests. Please make these events even more fun for your girl by letting her dress up, bring her dolls or stuffed animals, and talking to her about the great time she had!

REGISTRATION INFORMATION: Drop-off; early pre-registration required as space is limited to 20 girls each session. Call (951) 308-6376 to pre-register.

Fee: \$25 per child (includes all materials)

Times: Choose the 10am-12pm or 12:30-2:30pm time slot on dates specified below

Stuffed Animal Science

Monday, June 5

Bring your favorite stuffed animal and let's have some fun! We'll be checking out their health like a real veterinarian and making sure their habitats are comfortable and cuddly.

Girls in Space

Monday, June 12

You and your favorite doll (or stuffed animal) will explore the galaxy when we make out of this world discoveries... we promise you won't get "lost in space" but you WILL have some cool adventures to brag about to your friends!

BFF Scientific Spa Secrets

Monday, June 19

It's a Best Friends Forever kind of day when we mess around with girly spa and beauty stuff and turn it into SCIENCE! Bring your BFF to partner with you so you can have a great time together. (1/2 off fee for friend who signs up at the same time as registrant - this event only.)

Barbie Careers

Monday, July 10

With more than 150 careers on her resume- from registered nurse to rock star, veterinarian to aerobics instructor, pilot to police officer- Barbie shows girls that they can do anything. We're going to play-act some of those neat jobs (Paleontologist? Architect? Scientist?), so bring your Barbie and be prepared to have some fun!

Mini Maker Fest

Monday, August 7

When planning Beaker's Little Birthday Bash on Sunday, Aug. 6, he suggested that his friends should make some cool mini objects that are perfect for someone his nano-size, so that's what we'll do! He thinks HE is going to keep everything... but NOOOO! The fun teeny stuff that you make will go home with you so you and your dolls can play.

Shimmery Science

Monday, August 14

It's all about the glitter, girls!! Shiny rainbow colored science is what we like, and we know you do, too. These experiments may get messy (we're hoping). You may want to wear your lab coat.

PENNYPICKLE'S CATASTROPHIC CLOSURE

Leave it to Professor Pennypickle's hot air balloon adventures and his crazy chemistry experiments to require that the roof of the Workshop be replaced! Beaker is not a happy camper...he TOLD Phineas that this was gonna happen someday! Anyway, the Workshop will be **CLOSED TO THE PUBLIC from Sep 11-25** for some badly needed roof repair. We'll re-open on Tuesday, September 26. The good news is that we may have some fun surprises for you then! The bad news is that obviously there will be no Explore Science Friday Nights on Sep 11 & Sep 25. In the meantime, you can send messages to the Professor on our Facebook page. Try not to scold him...he's very sensitive.

AMAZING October Events:

Apple-Head Carving Lab

Friday, October 6, 5:30-7:30pm

\$5/person over 24 months

Get ready for Pennypickle's Pumpkin/Apple Festival by carving an Apple-Head to enter in the contest! Mom and Dad, bring an apple and a paring knife tonight and we'll help you do the rest. (You don't have to be part of this Lab to enter the Apple-Head contest, though.)

Pennypickle's Pumpkin/Apple Festival

Saturday, October 28-Sunday, October 29, 1-4pm

(Event held outside and does not include admission to the Workshop)

The Professor loves both pumpkins and apples, so he decided to include both at his first annual family-friendly fall festival! We'll have some fun surprises for you, plus you can enter your best wacky pumpkin or apple-head carving for the chance to win a cool prize! Visit pennypickles.org or Pennypickle's Workshop Facebook page for more details.

Halloween Wacky Workshop

Monday, October 30- Tuesday, October 31 (All Sessions)

\$5/person over 24 months

You just know that this will be a wacky day cause the Professor loves Halloween. This won't be a spooky or scary day at the Workshop though... more like a Mad Scientist party! Come and have fun with us.

SAVE THE DATE: Santa Arrives!!

Friday, November 24, 6pm

The excitement builds as we wait for Santa's arrival at 6pm...how will he get here? The Professor lets his old friend borrow his comfy, cozy cottage just so you can visit with him in an old-fashioned, non-commercial setting. The Workshop will be open from 10am-9pm on this special day, and Santa will entertain visitors until 9pm. After his special entrance on November 24, Santa will be in his cottage on weekends from Saturday, November 25 to Sunday, December 23. He will not be available on Friday, December 1 since he is the special guest at Temecula's Santa's Electric Light Parade that evening!

Hours to visit Santa are:

Fridays 6-9pm; Saturdays 10am-2pm; Sundays 1-5pm

Have your Party at the Professor's House!

With the Professor's and Beaker's help, you are bound to have an unforgettably fun celebration! Call 951-308-6376 for more information and to reserve your party today!
