Will You Extend a Hand?

“God is not unjust; he will not forget your work and the love you have shown him as you have helped his people and continue to help them.” Hebrews 6:10 NIV

After a horrific crash, a car rolled down an embankment in Palm Bay, Fla., and people stopped to see if they could help the victim. The vehicle while tumbling, caught on fire and neither the police nor paramedics were on the scene yet. Time was running out, the car was on fire and the hill where the injured person was trapped was very steep. As people watched what was happening, a few folks were moved to action. A dozen or so people decided they could help and grabbed hands and made a human chain. Together, they pulled the driver up the steep hill to safety.

Each and every day we experience the security, safety and sufficiency of God. However, our responsibility is not just experience God but to extend our hands and hearts to help someone else experience God. Just like the people in Palm Bay, we can form human chains of help. Jesus' hands are scarred for helping us, why don't you extend your hand to someone in need today!

PS, recently one of our own church family members, Coach Tim Jordan, showed what “extending a helping hand” looks like. Click on the link below to see Coach Jordan’s amazing helping hand.
