Family Portraits: \$249

Family is the most important thing in life and we would be excited to help you capture all of your precious family moments. Whether it's getting the all-important 5-generation photo, a family reunion, or it's just time to update the family photo, Lance Luther Photography will create images that will serve as some of your favorite decorative wall-art. We take pleasure in providing you with a beautiful family legacy that will chronicle the history of your family. Let us help you capture engagements, graduations, births, birthdays, anniversaries and other important milestones in your family's life with beautiful, professional growing family portraits. Includes a \$50 print credit.

Family Christmas Portraits: \$199

At Lance Luther Photography, we also create timeless family portraits that capture the festive nature of the season. Whether you are in need of family holiday portraits for Christmas cards or you would like a keepsake wall portrait to showcase your beautiful family, we will provide you with a lasting memory that your family will love for generations to come. Includes a \$50 print credit.

Maternity and Newborn Photography: \$249

We know that your baby's earliest moments are sacred. No one can deny the miracles that accompany the birth of every baby. To hold one of these little creatures so fresh to the world practically transcends any other human experience. That is why we strive to provide heart-warming, cute, adorable, and sweet baby photography that captures those fleeting early moments and will serve as a lasting memory long after your baby is grown. Let us help you showcase your pride and joy to your family and acquaintances with a portrait that will serve as a conversation piece, family record and keepsake. Sleeping is the key for these portraits so the baby's schedule is of utmost importance when scheduling a newborn session. These sessions cover everything from 4 days old to 1 year. Includes a \$50 print credit.

Child Portraits: \$199

Our mission is to help you celebrate the precious stages of your child's life through timeless photography that captures your child's unique personality. At Lance Luther Photography, we are committed to providing you with beautiful children's portrait photography that captures the most important milestones of your child's life. Whether you are looking for a baby photographer, children's photographer, or you would like someone to photograph your whole family, we will provide you with elegant portrait photography that highlights the love you feel for one another. Personalization is the key, and options will depend on age and abilities. Let us know what you are looking for, and we'll do our best to work with you. Children sessions are available for kids aged 1 year to high school junior. Includes a \$50 print credit.

Senior Portrait/High School Graduation: \$199

A high school graduation is a momentous event and we would like to celebrate it with you! Graduation portraits of high school seniors need to capture the personality of the individual. Senior portraits can have a range of looks from very casual, to sporty, to dress up formal depending on what the senior wants to capture as he/she transitions to a new phase of life. Your child has worked very hard to get to senior year, so doesn't it deserve a special portrait for friends and family to remember? We can provide cap and gown portraits, casual senior portraits, and family portraits that commemorate your child's graduation in style as we honor this great accomplishment. Includes a \$50 print credit.
