

PLEIADIAN COLUMBIA

The purpose of this illustration is to show that the District of Columbia with the Pentagon emphasis is configured to the Cydonia, Maris Pleiadian pattern. This pattern is present in all the other major world capitals. There are 3 main components that involve a financial city that is build up, then there is an oval type of structure to correspond to the Face of Mars, as in this case the Oval Office. The Pentagon corresponds to the D&M Pyramid that is usually a fortress or prominent building. The entire Cydonia, Mars complex configures a hexagram that when superposed to the Columbia area produces an approximate correspondence with prominent landmarks at the junctures. Along with the ley-lines, there are unique measurements that span the distances from one component to the next. The measurements are an approximation based on GoogleEarth coordinates. All the prominent world capitals have this motif as a signature of a sacred knowledge that is very important and hidden in plain sight. Who are the peoples behind this worldwide composition that extends back to the ancient pyramid sites of the world?

CAPSTONE YEAR?

If the core of the White House complex is patterned after the Great Pyramid of Giza, then the King's Chamber would function as a 'hour glass' of time. The Sarcophagus would correlate to the Oval Office and the White House would mirror as the apex or pinnacle as the Pentagon also terminates at the White House corresponding to the year 2016 or 5776.

THE COUNTDOWN ?

Does the coordinates from the God of War signify how long his lease on the U.S. Presidency will last? Is the distance in Smoots from the Obelisk to the edge of the White House entrance an 'Hour Glass' of time that is counting down to this event? Only time will tell but the speculation is intriguing given that the Great Pyramid pattern appears to be incorporated in the design.
