## Liability Release River Run at Los Caminos Naturales both Legal and Medical Release

As a participant in the River Run Endurance Ride, I \_\_\_\_\_ agree to abide by the rules of AERC, TERA, and the Land Heritage Institute. I understand that endurance riding involves being in remote areas for extended periods of time, far from communication, transportation, and medical facilities, that these areas have many natural or man-made hazards which ride management cannot anticipate, identify, modify or eliminate: that horses can be excitable, difficult to control and unpredictable; and that accidents can happen to anyone at any time. I agree to take full responsibility for myself and the animal I am riding. I will hold the ride management, all ride personnel, and all property owners over whose land the ride covers, The Land Heritage Institute and its Board, blameless for any accident, injury or loss and free from all liability of such injury or loss that may occur due to my participation in the ride.

I acknowledge that I assume full responsibility for the safety of horse, my guests, and myself. By my signature, I hereby waive all rights it file a claim or lawsuit against Land Heritage Institute and all it's personnel and Board, State of Texas, AERC, TERA, River Run Endurance Ride including all management, ride personnel, and all medical personnel, for any injury or damages which may occur during the time I am at the ride site.

Additionally, I agree to be fully financially responsible for any necessary emergency medical treatment by any medical person or institution in the event of injury or illness. I give my consent for and will be financially responsible for emergency medical treatment for myself, my horse, if I am unable to give informed consent.

Any Known Drug Allergies: \_\_\_\_\_
