

**COLONEL COMMANDANT'S CHRISTMAS WISHES.**

Dear Friends,

As we approach this festive season let us not forget that we are the most fortunate, living in this great country blessed with peace and richness. As you celebrate be mindful of all those who are deployed away from their loved ones. Take solace in the message (above) written one hundred years ago to our forefathers. They were but a few months away from participating in what would become the most important battle of our young nation. Many would not see another Christmas. We owe them to celebrate as they would have wished.

On behalf of CWO Walter Laughlin, the Corps RSM and I, may this season be filled with love and joy and bring you the blessings of health, friendship and prosperity.

Worthy,

Georges  
Colonel (ret) G. Rousseau  
Colonel Commandant  
Royal Canadian Armoured Corps
