### **Neighborhood Issues and Enforcement**

As with all neighborhoods we have our share of challenges that affect you. We thank everyone for taking care of the tagged violations in a prompt manner to keep up the neighborhood integrity. Ongoing issues in the neighborhood include communications on neighborhood restrictions, renter issues, parking challenges, trash, tall grass, weeds, trailers, boats in driveways and unapproved improvements. This year we have issued a total of 167 warning tags. If you are a homeowner that rents your property, please provide your renters a copy of the neighborhood integrity informational flyer.

### **Architecture Report**

A friendly reminder that any outside improvements/additions need to be approved by the HOA to make sure they are in compliance with homeowner deed restrictions. Items that need approval include but not limited to installation of pergolas painting outside of houses, storage sheds, and expansion of driveways.

### **Neighborhood Traffic**

When driving in the subdivision, please be observant, watch your speeds and slow down. We have several families with kids playing outside, people walking dogs, people walking and/or jogging through the neighborhood.

### **Rental Property Registration**

City of College Station rental registration ordinance requires that all owners of rental properties be registered through the City. The registration process helps prevent problems and improves communications among the neighborhood and property owners in case of health, safety or code violations. A copy of the Rental Registration Brochure is available on the HOA website.

### **Landscaping and Irrigation**

The landscaping in the subdivision is maintained on a schedule which includes mowing, trimming, edging all the common areas and maintaining the sidewalk planters, entry area planters as well as the clearing of the retention pond, creek area and trimming trees. We will be adding plants and flowers in the entry ways and planters once the spring weather is here. If you have or see any concerns with the landscaping, please let us know.

All the known issues with broken sprinkler lines and broken sprinkler heads have been repaired. Our irrigation systems are fully operational. We continue to monitor and conserve usage to maintain the common areas. If you see water leaking from a sprinkler head or just a large amount of water where it should not, be please contact one of the board members as soon as possible.

### **Fence Repair Concerns**

We have received several calls and emails about fence ownership between neighbors. The standard protocol is the fence posts are set on the owner's property, however, when fences are installed by builders this is not always the case. Buyers sometimes ask to have the front of the fence facing their backyard, so they don't see the side with the posts. Since both property owners benefit from the privacy fence, we recommend that neighbors work together and share the expense of the repairs.

### **Criminal Activity**

As a friendly reminder, always lock your vehicles, remove items from the inside of your vehicles or put them out of view, do not leave valuable items in the bed of your truck, park in lighted areas, turn on your driveway security lights and if possible, activate your car alarm. Do not leave your garage doors open for long periods of time unattended as this is an open invitation for unwanted guests to potentially attempt to gain entry to your house or walk off with your personal stuff in the garage. While we know this will not stop all the criminal activity it will help discourage some. If you observe anything out of the ordinary or suspicious please write down as much information about the vehicle (i.e. make, color, license plate) and description of individuals and contact the College Station Police Department at 979.764.3600 immediately.

### **Solicitors**

City of College Station City Ordinance requires that all solicitors and advertising door hangers have a permit to do business in the City of College Station. If you have contact with a solicitor, ask to see their City of College Station permit. The seal on the permit should be in color and not a copy for a company. Each individual should be permitted. If they refuse to show you a permit or if they are overly aggressive, please contact the CS Police Department at 979.764.3600. It is helpful if you can provide a description of the solicitor (including clothing), direction of travel and a license plate if they are in a vehicle.

If you have any questions or wish to discuss any concerns, please feel free to email your HOA Board at [westfieldvillagehoa@gmail.com](mailto:westfieldvillagehoa@gmail.com)
