MAKOTO SUMMER CAMP PROGRAM

Don't drag your kid kicking and screaming to the same old summer camp. This year, let them kick... kiai (Japanese for "scream")... and create some fantastic memories in the Makoto Summer Camp program.

Non-Stop Action!

Each week the campers will not only learn the martial arts, they'll...

- **Gain cool ninja skills** as they learn how to run faster... jump higher... and wield such martial arts equipment as nunchuku, double sticks, and swords.
- **Take at least three (3) field trips a week** to such fun locations as: Dutch Springs Water Park... SkyZone Trampoline Park... Outdoor Extreme Paintball... Mermaid Lake... and MORE!
- **Experience adventures like** canoeing... archery... swimming... scavenger hunts... and Carnival Day.
- **Learn how to "Pay It Forward"** as they hold a charity car wash... Collect needed items for such local organizations as Cradles to Crayons... and more.

Our Guarantee!

This is your kids' summer. It's their chance to get outside, be active, and have a great time. So we promise... your kids will come home tired, dirty, and excited to come back to camp tomorrow.

"The best part of my day is picking up my son from Makoto Summer Camp. He loves to tell me about everything he did and how much fun he had... right before he falls asleep in the car."
