NEW BAND APP

Everyone will need to download and log in to the new app the studio is using called BAND. It will be a NEW and BETTER form of communication. All forms, calendar dates, events, surveys/polls and newsletters will be accessed from this one app. Email will no longer be the main form of communication. Please turn on the notifications in settings on the Band app as soon as it is downloaded.

For further assistance, contact the studio.

We are SO excited about this tool!
