Message:

PROGRAM ON CEMETERY CONSERVATION AND RESTORATION- NOVEMBER 6, 2021 AT 1PM AT THE SMITH KIMBALL COMMUNITY CENTER. Bobbie Mathis, of Union City, MI will present a slide program on the proper historic materials and techniques for restoring cemeteries and grave markers. We will start out at the Smith Kimball Community Center. After Ms. Mathis presentation, we will walk down to the Old East Cemetery across from the Elementary School. Two of the Historical Society of Clinton members, Karen Faust and George Service attended a workshop in June, co-taught by Ms. Mathis, and they have been working diligently to restore the stones and their location in our Old East/ Oakmount cemetery. If you would like to learn more about this type of restoration, please look at the following web site: <https://cemeteryconservatorsunitedstandards.org/> The Historical Society of Clinton invites you to attend and learn more about what we can do to restore the grave stones in the Clinton cemeteries and others. For more information about this program, call 517-456-7198.
