

St. Luke's School
Three Year Old Program

3 year olds

Tues, Wed, Thurs 9:00-11:50am
(drop off begins 8:50am)

\$1,875

The three year old class meets three mornings a week. I invite you to stop by and meet the wonderful teachers and observe the class anytime. Three year olds continue to enjoy music classes weekly. This class will also have a fun Spanish lesson with every week! Weekly handouts are sent home so you can learn and practice Spanish along with your child. This program is fun, and interactive. The three year old class also enjoys walking and driving field trips.

Three years olds who are ready for a longer day are also welcome to join our Lunch Bunch program. This extended day (12-2pm) allows for more interaction with peers through free play and projects. There is an additional fee for this program, with monthly sign up.

The three year old class will continue to learn through play and teacher instruction in large and small groups, sensory activities and increased interaction with their peers.

The objectives for Three Year Olds include:

- Promote letter recognition through exposure to print in the everyday environment.
- Exposure to math concepts. (Counting 1 – 10)
- Promote shape and color recognition.
- Continue to develop the five senses.
- Continue fine and gross motor skill development.
- Develop awareness and control of body movements and personal space.
- Develop self-esteem and a sense of self.
- Improve listening skills.
- Promote self-control and responsibility
- Further the ability to follow directions.
- Further problem solving skills.
- Develop social skills.
- Further the ability to be mannerly and considerate human beings that treat others with respect and kindness..
- Exposure to the community and the surrounding world.
