

# Whoops Johnny!

“Johnny, Johnny, Johnny, Johnny

Whooops Johnny, Whooops Johnny, Johnny, Johnny, Johnny!”

*Starting with your pinky, touch the tip of each finger, then swoop through the place between the fingers and thumb—then reverse.*

## More Ideas...

- ♪ *Take turns using your own name and then the names of everyone you love.*
- ♪ *Choose a theme like colors or animals and say the rhyme with each of them.*
- ♪ *Sit with your family in a circle and play variations of this game. For instance, you say someone’s name—then they say someone else’s OR go around the circle as many times as you can with an item from a theme like vegetables or rhyming words.*
- ♪ *Make the pattern of the way you say your name with dots and lines, then change it and say your name that way.*
- ♪ *What else can you do with dots and lines???*
