Dear Brothers in Christ,

Well, the banquet is over! It was another very successful event. We enjoyed hearing our speaker Jeanne Mancini speak eloquently about the history of the Pro-life movement and how the most effective tool we have is the love we show expectant mothers. In our video we heard from several of the moms who you've helped over the past year. Each one of them having their own unique story and each one of them telling of how they had really only been able to choose life for their child because of the support they had from Room At The Inn. Our theme was "Building a Culture of Life with Love" which is exactly what you do right here in your own community by supporting our programs.

Thank you for your gift of \$200, for which you received no gifts or services. It will be used to continue to make Christ's love real and present to the mothers and children who come through our programs.

By the way, while we were at the banquet that evening, one of our moms was at the hospital delivering twins; one girl and one boy. You can check out how cute they are on our facebook page.

In Christ,
