

NEW RICHMOND FFA ALUMNI TRACTOR PULL REGULATIONS  
OEM STOCK (NON-SANCTIONED)

**\*\*\* Attendance at the Driver's Meeting is Recommended \*\*\***

**GENERAL RULES**

**(Applies to ALL Classes)**

- 1) ALL judge's rulings take precedence today and their decisions are final.
- 2) **YOUR TRACTOR MUST BE STOCK!!!**
- 3) A speed limit will be enforced in all classes. There will be one warning for exceeding the speed. A second violation will result in disqualification.
- 4) There is a limit of four pulls per tractor.
- 5) Judges will determine whether tractors are stock and **their decision is final.**
- 6) Tractor must be 1959 and older.
- 7) Pullers who are not ready will be disqualified with no refund.
- 8) Rule violations will result in disqualification with no refund.
- 9) Order of pulling will be determined at registration.
- 10) Discrepancies must be brought to an official's attention BEFORE the end of the class FROM A PARTICIPANT IN THAT SAME CLASS!
- 11) Your tractor weights must be securely fastened and must not impede the operation of your tractor.
- 12) There is a 100 lbs. grace over the listed weight class.
- 13) The person pulling the tractor must be on that tractor at weigh in.
- 14) You will weigh in at EVERY HOOK.
- 15) You must be registered in your weight class before the class begins.
- 16) No weights are allowed 30" beyond front-most castings.
- 17) Rear weight bracket hanging point can be no further than 36" back from center of rear axle.
- 18) Your draw bar must not be over 20" and a minimum of 18" from the center of axle to the center of drawbar hole.
- 19) Your pull will end if the front end comes up to an unsafe height. This decision will be made by the flag man and sled driver. **Their decision will be final.**
- 20) Your pull is terminated when sled hits the berm and measurement will take place at that location.
- 21) If you want to re-pull, stop before the 50' mark. Only one re-pull is allowed.
- 22) You will remain seated while pulling.
- 23) Only one person will be on the tractor at a time while pulling.
- 24) You cannot take off before the green flag goes up.
- 25) You must stop immediately when the red flag goes up.
- 26) The shift lever must be in neutral while hooking up.
- 27) Hydraulic hook up is allowed, but can't be raised.
- 28) If anything falls off the tractor while on the track you are disqualified.

- 29) Your tractor cannot be entered in the same class twice.
- 30) No drinking while pulling.
- 31) You will pull from a clevis or a "D" ring that the hook on the weight transfer fits into completely.
- 32) Your hook-up point must be accessible.
- 33) Steel wheels pull last (automatic last pull).
- 34) Front-wheel assist cannot be used while pulling.
- 35) Any announcement on the day of the pull will take precedence. It is recommended that you attend the driver's meeting and as ALWAYS, judge's decisions are FINAL!

## **Farm & Antique Rules**

- 1) All general rules above apply.
- 2) The speed limit is 4 ½ mph.
- 3) If the tractor model came originally equipped with a battery, it must weigh in and pull with a factory style battery.
- 4) All tractors entered in the antique class must pull in first gear.
- 5) For antique class, no tractor can be newer than 1951 and **MUST** have the serial tag.
- 6) All tires and hoods must be on while pulling.
- 7) Tires can be only two sizes larger than factory.
- 8) You can open your governor while pulling.
- 9) No cut tires, dual tires or chains are allowed at the pull.
- 10) You must have working PTO's or hydraulics, if equipped.
- 11) You must have factory operational air cleaners.

## **RUN WHAT YOU BRUNG**

- 1) General rules apply.
- 2) The speed limit is 6 ½ mph.
- 3) You cannot pull in "Run What Ya Brung" if you're pulling in "Farm Stock".

## **CHILDREN UNDER THE AGE OF 18**

- 1) A puller under the age of 18 needs to have a parent signature on the waiver form.
- 2) Kids 12 and under must be able to reach or disengage clutch while remaining seated in the center of the seat. Wood blocks or extensions are allowed. Parent/guardian must walk next to the tractor on the track.
- 3) No children are allowed beyond the ropes unless they are assisting the FFA Alumni.
