

The following illustrations are taken from a power point presentation on Sea Cadet uniforms. They are excerpted here to help new cadets and their parents to properly sew on the basic flashes and tapes on the blue and white jumpers as well as the NWU uniforms.

More . . . NSCC Dress Whites (Jumper)

Both males and females wear a white T-shirt, black neckerchief, plastic name tag (on right), ribbons (on left), and the gold-on-black NSCC flash with gold frame on both sleeves.

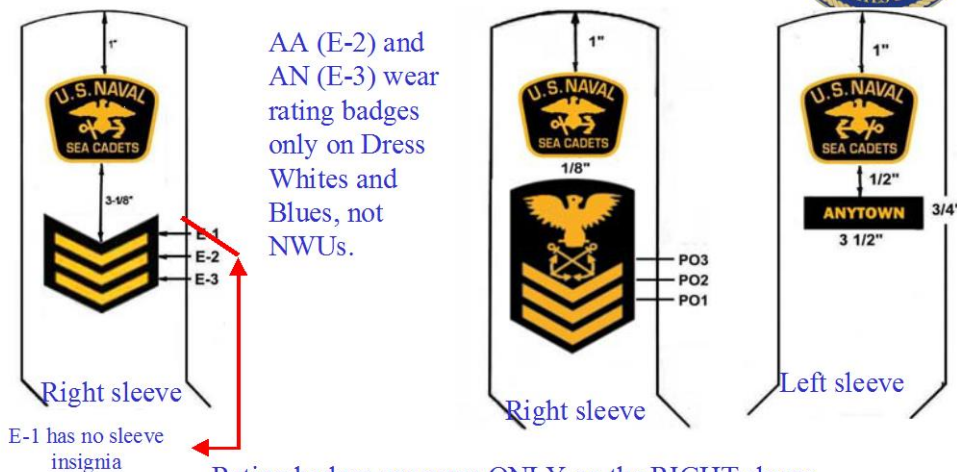

Except for AR (E-1) (who don't wear any), rating badges are worn on right sleeve.

This is only a summer uniform.

NSCC Dress Blues (current)

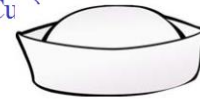

Females currently wear the white combination cover (Pill Box) with the 1-1/2" NSCC cap device.

Males wear the white hat (Dixie Cup) without any insignia.

Shoes are black with black socks.

Males wear a white T-shirt and black neckerchief. Both wear plastic name tag (on right), ribbons (on left), and the gold-on-black NSCC flash with gold frame on both sleeves.

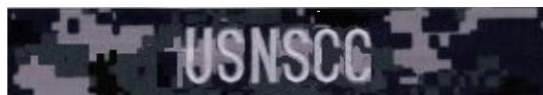

Rating badges are worn on right sleeve.

7

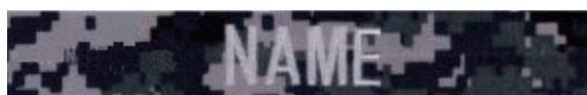

More NWU . . .

A silver embroidered "USNSCC" tape is sewn immediately above the left breast pocket, covering the width of the pocket.

A silver embroidered name tape is sewn immediately above the right breast pocket, covering the width of the pocket.

A second name tape is sewn above the right rear pants pockets, and a third on the left pocket flap of the parka.

Centered on the left breast pocket is the Anchor, Constitution, and Eagle (ACE), embroidered by the manufacturer.

More NWU . . .

A gold-on-black, regular size, gold framed USNSCC flash is centered on the right breast pocket, the eagle facing towards the fly of the shirt.

Name tape on Parka

A full size name tape (silver for cadets E-6 or below, gold for E-7 and above) is sewn on the pocket flap of the left sleeve.

The name tape extends flush to both sides of the pocket flap, and sits 1/4" above the bottom of the flap.
