American Legion Post 132, Orange, California, NEWSLETTER, JULY 2024

## VICTOR DE LA ROSA, COMMANDER

Greetings all:

I want to thank you all for trusting me to be Commander for another year. The Installation of Officers for Legion families took place on June 13. Thank you everyone who participated.

As we go into another Legion year, we look forward to the events we are having at our Post. One in particular that I'd like to mention is that our Post will be the headquarters for the **American Legion State Baseball Tournament**. The tournament will be from July 24th-29th, and we'll be serving breakfast and dinner each day, so we can definitely use your help. There's a sign-up sheet at the Post club room.

Incoming 2024/2025 Legionnaire officers about to be sworn in.

Legionnaires get sworn in at the Installation of Officers on our June 13 general meeting.

Most the baseball games will be played at Hart Part, the park which you probably know was named after our first Commander at Post 132: Captain William Ord Hart. There are also a couple being held at Santa Ana College. We hope to see our members at some of these games, breakfasts or dinners during the tournament to support American Legion baseball players from across California.

2024/2025 Installation of Officers on June 13.

Lastly, check out website at [orangepost132.com](http://orangepost132.com) to see what we have scheduled at the Post. Thank you.

## **BRIAN JOHNSON, POST 132 ADJUTANT, ALR 132 JUDGE ADVOCATE**

Never underestimate the creativity and drive that some of our very talented Legion Families can muster. In just a couple of days, our team pulled together a CPR/AED training and certification class, a Cigar and Whiskey lounge followed immediately by the Post Open House. These folks multitasked their behinds off and it all came to together with the appearance of seamless fluidity. Thank you to all the planners, coordinators and volunteers to make these events look smooth and easy.

Did someone (Me) say something about CPR & AED training? Yep. The Post is now equipped with a very nice Automated External Defibrillator, and a Lifevac (anti-choking device). Our CPR instructor shared some important information about the effectiveness of high quality CPR combined with an AED device. This stuff can save lives but, we have to do our part. The Post worked with a training company called The CPR Lady (<https://www.thecprlady.net>). The instruction was solid, the equipment was clean, sanitized and well maintained, and they made effective use of our time in class. It was well worth it. Think about not just your workplace or church or The Post, think about your family and loved ones who may someday need someone to provide life saving steps until paramedics can take over. You can be that person. Remember, the life you save just might be mine.

We are starting into a new Legion year, which means renewals and new membership cards. Membership cards of 24/25 were issued to District Commanders at the Department Convention, the last week of June. I will not receive our cards until after the 4th of July holiday. Remember that our dues are now \$60 per year - about \$5 a month if you think about it. The dues increased in response to the national dues increasing starting July 1. If you have questions, reach out to any Post officer. The fastest way for you to renew and receive your card is to pay on line and print your card yourself. Just navigate to <https://www.legion.org/>, renew/pay with a credit card and you will be given the option to print your own card. It is that easy. If you prefer to mail in a check or stop by the Post and pay at the bar, those options are always available.

Summer is already here and your Post has so many exciting activities and events as we start into our busiest time of the year. Be sure to check out the calendar and flyers here in the Bugle. See you at the Post!

**JOHN MINNELLA,  
IMMEDIATE PAST COMMANDER,  
POST 132 JUDGE ADVOCATE,  
DISTRICT 29 COMMANDER,  
DEPT. OF CA NATURALIZATION COMMISSION  
TECHNICAL ADVISOR**

Comrades and Friends!

As I write this I am attending the Department of California Annual Convention in Visalia as a part of the delegation representing our Post 132 and District 29. There will be Department trainings, resolutions, and officer delegations as well as vendors offering everything imaginable that a veteran might be interested in. In my opinion, the most important topic will be membership retention and recruitment since the Legion is not only not increasing its membership, it is not maintaining its numbers.

Membership is crucial if the Legion is to continue its existence. How to get new members is a challenge in a world with so many worthy activities competing for attention, especially in areas like Orange. When you live in a small town of 40,000 in rural Nebraska, the Legion may be the only social activity within 50 miles. That's not our Post 132 case!

I wrote some months ago about the census statistics that there are literally thousands of veterans within a 5 mile radius of Post 132 yet only about 450 are members of our Post. The lack of membership by those veterans cannot be for lack of Post activities since Second Vice John Schutz always has a huge number of imaginative and interesting activities up his sleeve.

The membership effort requires each of us to recruit new members and encourage the renewal of existing members. The First Vice Commander's primary responsibility is membership but each of us must also participate and help. It is not too much to ask every member to bring in one new member between July 1 and June 30. That requires always being on the lookout for new people and reminding existing member friends to renew now.

Remember our mutual commitment to the Preamble to the American Legion Constitution and the Legion's Four Pillars (Veterans Affairs & Rehabilitation; National Security; Americanism; Children & Youth); and most of all remember our commitment to our Constitution and Country.

Post 132 continues to operate ever mindful of any and all legalities. Should you become aware of some potential legal problem for the Post, please inform me at your earliest opportunity so it can be addressed. If I can be of any help to you, feel free to contact me 24/7/365.

## DAVID ANDERSON, CHAPLAIN

There are times in our walk with God, when it looks as if despite all our efforts, God has forsaken us, this feeling may be brought about by financial hardship, joblessness, loneliness, loss of a spouse, health challenges, educational challenges, family misunderstanding, breach of trust, business failure and the list goes on and on, at times like these its easy to loose faith and begin to question our very belief in God, but I want to assure us here that no matter how bad the situation may seem, there is always a solution and nothing is too hard for the Almighty to handle.

*Truly I tell you, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there,' and it will move. Nothing will be impossible for you.*

## TRUJILLO, UNIT 132 AUXILIARY PRESIDENT

Hello members:

A heartfelt thank you to Kathy de la Rosa for her service as President of the Auxiliary! I am honored to follow in her footsteps!

For those of you who don't know me, I am an Army brat. My father Joe F. Trujillo served for 23 years in the Army. He served in Korea and Vietnam as a Sargent in combat. He had four girls, each of us born in a different state. I was born in Arizona, but we settled in Colorado where both my parents are from. I have four grown kids who come into the Post from time to time.

I look forward to working with our Auxiliary members, the other Post families, and leading our mission of helping Veterans.

We have two big events in July, first off, we have our **Blood Drive on Sunday July 7th** from 10-4 pm. Everyone is welcome to join the drive. [Sign up here!](#)

Wednesday July 10th – we have an optional Auxiliary member mixer at the post from 6-8pm. Meet members current and new! Please RSVP to me if you can make it. Hope to see you soon!

## JAMES GOMEZ, SONS COMMANDER

Before getting into official Sons business, I wanted to take a moment to give Sons Immediate Past Commander **Mike Holmes** my personal thanks and gratitude for the service he has given to our squadron as Commander for the last five years. Mike has been an omnipresent force at Post 132, and we all appreciate his dedication, hard work, and get-'er-done attitude. Although he's retiring from the Commander's chair, this is not goodbye. Mike will continue to be involved as a member of the Sons Executive Board, which I am very happy about. (See the full Officer list on the back page.)

Thank you, Mike Holmes!

Now onto Sons news...

**Our next dinner is Friday, July 5.** Join us for steak dinner (\$20) or our special, a taquito plate (\$15). As always we could use volunteers. **Next one after that is Friday, August 2** (Save the date).

**The next Sons breakfast is Sunday, July 21.** Join us for French Toast and eggs (\$12).

**2025 renewals coming soon.** I'll update the Sons when the 2024/2025 membership cards arrive.

**American Legion Baseball State Tournament** is being hosted by our Post July 24-29. I'm hoping we can get some Sons to volunteer for the full slate of breakfast and dinner shifts being planned. More on that to come!

Lastly, I wanted to share a picture of me and my older brother Rob, a 17-year member of the Sons from Post 521 in Rio Linda. This pic is significant to me because it was taken the very first day I set foot inside the venerated walls of Post 132 (in 2019). My bro was visiting Orange and wanted to see the local Legion and buy me a drink. I enjoyed myself so much I ended up getting my own membership. Five years later, I am immensely honored to be welcomed by the Sons as incoming Commander for the 2024/2025 Legion year. Thank you, my fellow Sons, for your trust and confidence. I'll do my best to not let you down.

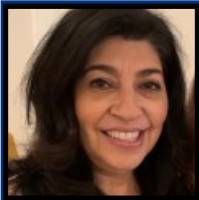

Incoming officers for the Sons of the American Legion, Squadron 132, get sworn in by Post 132 Judge Advocate John Minnella at the Installation of Officers held at the Post on June 13.

## ARTIFACTS FROM THE CURATOR'S CORNER

In celebration of our "Nation's Birth" this month's "Artifact from our Museum" is a circular, two-sided disc made of 90% copper and is 1" in diameter by  $\frac{1}{8}$ " in thickness. It has the depiction of a woman's head with flowing hair on one side (obverse) and a depiction of 15 linked chains on the other (reverse).

It is an exact replica of our nation's first cent. Yes, "Cent." Not "Penny," as many refer to our smallest piece of circulating currency. The United States has never and will never make a "Penny." The "penny" was an English word referring to the second lowest form of currency in Great Britain. (Yes, there was a lower amount, the "ha" penny or half penny) When hostilities ceased between the newly established United States of America and Great Britain, it was decided by Alexander Hamilton, first director of our new Department of the Treasury, to create a "Cent" for our lowest example of our monetary system, based on the French word "Centime." (Without the French Army and Navy as our allies, we would have never won our War for Independence).

The "One Cent" piece was our first coin, minted in 1793. The depiction of a flowing hair female was the representation of "Lady Liberty" on one side and the circle of 15 chains (we were 15 states in 1792) represented our previous situation as "enslaved" under British rule on the other.

The one cent piece has taken on many changes to its appearance on its way to our current cent depicting President Abraham Lincoln since 1909. Over the years our cents have depicted women, indians and even flying eagles and have been made of copper, copper/nickel, copper/brass and currently copper/zinc. (In 1943, one year only, they were made of steel to save copper for the War Industry) So, as we celebrate Independence Day, look in your pocket or purse for a cent and celebrate it, even in its current state, as a representation of our freedom and our self determination as a country.

Remember what the old timer's used to say:

"A penny saved is a penny earned."

Sorry, "Cent" not "Penny!" (Hey, I'm married.... I have no "sense." Haha!)  
Enjoy your Fourth of July Holiday and..... Your Freedom!

WASHINGTON (Feb. 26, 2024) — The VA announced that all veterans who were exposed to toxins and other hazards while serving in the military — at home or abroad — will be eligible to enroll directly in VA health care beginning March 5, 2024. This means that all veterans who served in the Vietnam War, the Gulf War, Iraq, Afghanistan, the Global War on Terror, or any other combat zone after 9/11 will be eligible to enroll directly in VA health care without first applying for VA benefits. Additionally, veterans who never deployed but were exposed to toxins or hazards while training or on active duty in the United States will also be eligible to enroll.
