## *Some Ideas for Lent...*

The best advice for Lent is to start small. Following are just few ideas; if you feel so led choose one, and practice it throughout all of Lent:

Read Morning or Evening Prayer daily.

Read a Psalm, or a chapter of one of the Gospels daily.

Pray the Rosary daily or start small by praying a decade of the Rosary daily.

Pray daily for our Parish, for our Bishops, priests, and parishioners.

Read a chapter of the Imitation of Christ, or another Christian Classic daily.

Volunteer at a local charity.

Fast from television, social media, or the news.

Fast from meat, or sweets, or soda, or coffee, or tea, or alcohol.

Put the day's left-over change into your mite box for the St. Therese Orphanage in Haiti.

Resolve to put a certain amount a week into your mite box, i.e. what you normally would have spent to buy a treat you are fasting from.

This Lent may we embrace every sacrifice, no matter how great or small, as an offering of worship to God.

## **The St. Therese Orphanage in Haiti**

The Anglican Catholic Church has worked in Haiti since the 1980's. Most of the Church's work has centered around Tapio where they helped install a water system (piping water from a spring to spigots around the community), staffed a school, and continues to support a medical clinic (the only one in the area). We also assist a school and parish in another nearby village (Mannonville) as well as parish in Port-au-Prince. The Orphanage of St. Therese in Tapio, Haiti was founded by Father Jean Bien Aime, the ACC's Vicar General in Haiti. The orphanage sits in the hills above Titanyen, about an hour north of Port-au-Prince. The compound is powered by a generator that is nearing the end of its life and needs to be replaced at an estimated cost of \$15,000 USD. This Lent all proceeds from Lenten mite boxes will help buy the orphanage's new generator. Please consider supporting them in their need.
