

## Level 1: Advanced Beginner Knitting: Cloud Slippers Mittens

---

Want to learn how to expand your knitting skills while knitting a quick and cozy pair of slippers. Then try your hand at knitting Cloud Slippers. We will be using super bulky yarn to make the project go super fast. They make excellent gifts for all occasions. Knit them up for your family and friends.

### Objectives:

To further build on your knitting skills by learning how to:

- Learn how to knit a garment flat and sew it into a slipper

**Class Meeting:** This class will meet for two hours from 1:00PM — 3:00PM on Thurs 8/11

This class meets a few hours right before our POJ Sit and Stitch Potluck. Feel free to stay longer and continue working on your piece with other members of the community.
