Family \$250

Single \$125

To become a Veggie Club member, you purchase a share of produce in the spring. This helps us with the tight cash flow in the spring and helps you get great deals on fine, fresh, locally grown produce. The minimum price of a family share is \$250 and with a pre-season sign up bonus we add 6% to that amount and your beginning share balance is \$265. The price of a single share is \$125 with a pre-season sign up we add 4% to that amount making your beginning balance \$130. You get a good return on your money, 6% or 4% over four months. That's better than the bank! After our stand has opened for the season you may still join the Veggie Club. You will be able to enjoy the Veggie Club weekly specials just not the pre-season sign up bonus. Remaining balances are not carried over to the next season, so use them up!

Throughout the season, weekly specials for Veggie Club members will change as various crops peak in yield. It is our intention to provide an abundance of fresh produce for you!

**The Deadline is May 31st for the Pre-season Sign-up Bonus. Please mail application and
check to:**

Tom Stevenson, 62 Berry Road, Wayne, ME 04284

Thank you!
